

Policy of Entrepreneurship Cell

Entrepreneurship Cell (EC) has been set up with a vision to promote entrepreneurial culture in the Institute by providing multiple platforms to budding entrepreneurs where they can improve upon their entrepreneurship skills. This Cell primarily focuses on motivating the students to pursue entrepreneurship and in sharpening entrepreneurial traits and behavior by organizing several entrepreneurship awareness programs, guest lectures by successful entrepreneurs, various workshops and seminars for the aspiring entrepreneurs. This cell supports businesses and innovators as they develop their ideas and motivate the students to bring out their latent spirit of Entrepreneurship.

Objectives:

- To spot and nurture entrepreneurial talents among the students.
- To expose the student to the basic concepts of entrepreneurship, functions of entrepreneurs and startups.
- To promote startup culture in institute and provide insights to students in converting an idea to an opportunity and develop understanding of various funding sources for a startup.
- To organize events, visits and workshops to promote entrepreneurship among students.
- To support and motivate students/faculties in carrying out training and other entrepreneurship development related activities.

Functions:

- To create a holistic environment for students in diverse areas of entrepreneurship and skill Development.
- To arrange series of Entrepreneurship development programs and interactive sessions to promote Entrepreneurship in the Institute
- To arrange visits to industries for prospective entrepreneurs
- Awareness about government institutes/fund raising program related to new startups like
 - DSI (Directorate of Small Industries), SSI (Small Industries Service Institute), NEDB (National Entrepreneurship Development Board), NSIC (National Small Industries Corporation), EDI (Entrepreneurship Development Institute), etc.
 - Startup leadership program
 - Samridhi program & Aatmanirbhar Bharat
 - Digital India Genisis
- To help students/faculties to start their businesses by providing entrepreneur ecosystem in institute campus under entrepreneurship cell.
