RESEARCH AND DEVELOPMENT INCENTIVE
POLICY FOR STUDENTS

Approved By: All India Council for Technical Education, New Delhi
Affiliated To: Dr. A.P.J. Abdul Kalam Technical University, Lucknow(U.P.)

R.R. Institute of Modern Technology, Lucknow (RRIMT)

Research and Development Incentive Policy for Students:

The *Research and Development Incentive Policy for Students* aims to promote a culture of innovation, research, and entrepreneurship among students of RRIMT. The policy encourages students to undertake quality research, publish papers, file patents, develop prototypes, and participate in conferences, competitions, and innovation challenges.

1.0 OBJECTIVES

- a) To motivate students to participate actively in R&D, innovation, and scholarly activities.
- b) To enhance the academic and research profile of the institution.
- c) To provide financial and academic incentives for meritorious research outcomes.
- d) To promote interdisciplinary and application-oriented research among UG and PG students.

1.1 . Eligibility

- a) All students enrolled in, Undergraduate and Postgraduate programs.
- b) Students must maintain minimum attendance and academic performance as prescribed by respective departments.
- c) Work must be original and carried out under an internal faculty supervisor.

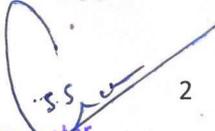

2.0 Incentives Offered

2.1 Publication Incentives

Incentives will be provided for publishing research papers in reputed journals and conferences:

The Institute shall encourage participation of students in National / International Conferences and provide financial support for the same. However, it should be clearly understood that this support is not an offer by the Institute, and students should not assume any automatic claim for the same. The request for financial assistance/ support for
